System Architecture

A. Login Form

The Login form is the landing page of our system, it also serves as a gateway for users to access secured areas of our system where private data is displayed. In this field, the admin needs to input his/her username and password then login on the proposed system.

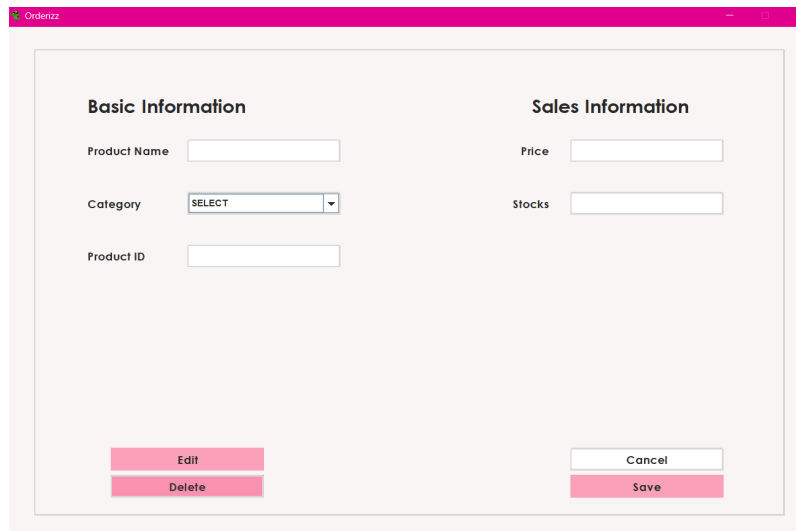

B. Dashboard

Product ID	Product Name	Product Price	Product Stock	Product Category
2	BSE Toner	200	1000	Toner
3	Fairy Skin	89	300	Sunscreen
234	Cetaphil	160	300	Cleanser
1004	Honest Glow Cleanser	300	200	Cleanser
11101	Goree	250	1000	Moisturizer
20001	PS Toner	180	500	Toner
1010101	Brilliant	1444	133212	Cleanser

The Login form is the landing page of our system, it also serves as a gateway for users to access secured areas of our system where private data is displayed. In this field, the admin needs to input his/her username and password then login on the proposed system.

C. Product Page

The screenshot shows a window titled "Orderizz" with a pink header. The main content area is divided into two columns: "Basic Information" and "Sales Information".

Basic Information:

- Product Name:
- Category:
- Product ID:

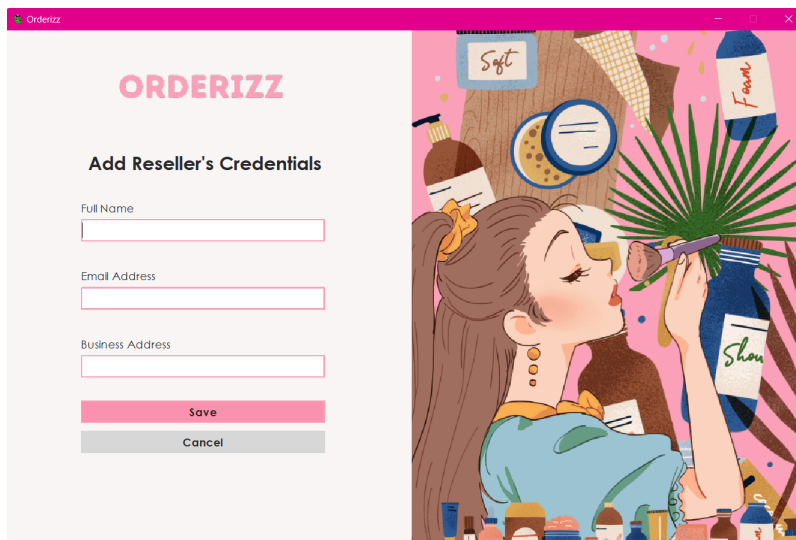

Sales Information:

- Price:
- Stocks:

At the bottom, there are four buttons: "Edit" (pink), "Delete" (pink), "Cancel" (white), and "Save" (pink).

In this page, you can update, delete, and create new products by first providing a product id. After it has been filled out, the admin can now perform either of the three operations. however, providing a product id that is similar to an existing product cannot create a new product.

D. Registration Page

The screenshot shows a window titled "Orderizz" with a pink header. The main content area is divided into two sections: "ORDERIZZ" and "Add Reseller's Credentials".

ORDERIZZ:

- Full Name:
- Email Address:
- Business Address:

At the bottom, there are two buttons: "Save" (pink) and "Cancel" (grey).

Add Reseller's Credentials:

The right side of the page features a colorful illustration of a woman with long brown hair, wearing a blue top, holding a green plant. She is surrounded by various bottles and containers, suggesting a shop or a collection of products.

In this field, the admin can add a reseller and input the basic information needed in the reseller's credentials then for easy access of their information.

E. Transaction Page

The screenshot shows the 'Transaction Details' page in the Orderizz application, accessed by an administrator. The page has a pink header with 'Orderizz' on the left and 'ADMIN' on the right. The main content area is titled 'Transaction Details' and contains a form with the following fields: Full Name (Matthew Bides), Address (Bacoor Cavite), Phone Number (09154268452), Email Address (matthewbides@gmail.com), Order (Cetaphil), and Total Price (160). Below the form are three buttons: 'Confirm', 'Generate Receipt', and 'Cancel Order'. To the right of the form is a preview of the receipt, which includes the date 'Fri Jan 19 16:08:20 PST 2024', the customer's details, the order name 'Cetaphil', and the total price '\$160'. The preview ends with 'Thank You for Purchasing'.

Once the transaction is done, the admin now will input the transaction details made. In this field, once the details are confirmed, the admin will now generate the receipt then the system will create a receipt that can be printed.

The screenshot shows a 'Java Printing' window displaying a receipt. The receipt is titled 'Orderizz Transaction Details' and includes the following information: Date (Fri Jan 19 16:15:53 PST 2024), Full Name (Matthew Bides), Address (Bacoor Cavite), Phone Number (09154268452), Email Address (matthewbides@gmail.com), Order (Cetaphil), and Total Price (\$160). The receipt concludes with 'Thank You for Purchasing'.
